

# Woodland's Columbarium Ministry

bringing back our loved ones to the church where they belong

## Cost Increase on Jan 1 \$1,000 to \$1,500

There is still time to purchase a niche in Woodland's beautiful Columbarium and Garden at the initial cost of \$1,000 (2 urns per niche). Beginning January 2010 the cost will increase to \$1,500.

You have intended to attend to this but delayed. You know it is always wise to complete preplanning. It brings peace of mind and comfort to know that at the time of loss arrangements are already done. The church has provided a physical place of memorial as well as a ministry to the heart.

You and your family can find complete information at Woodland's web site, [Woodlandbc.org](http://Woodlandbc.org). Look under Family Ministries and there, you and family can complete paperwork for purchase. Contact the church office who will put you in touch with the Columbarium Team who can assist you.
