

MY 4 FRIENDS

HOW TO SHARE YOUR FAITH

Reveal you are a Christian.

Extend an invitation.

Ask them if it's OK to share your faith story.

Communicate the how and why you became a Christian.

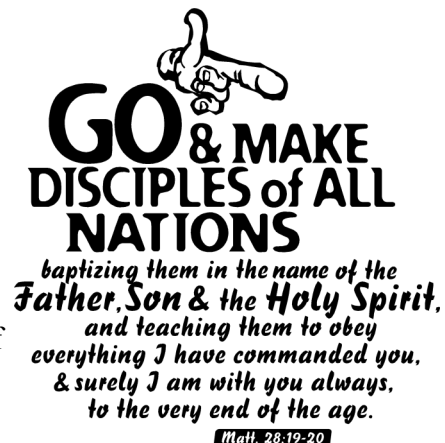

Help your friend know Christ personally.

Write out your story including:

- your life before Christ
- how you knew you wanted to accept Christ
- how you met Christ
- a time when God was very real to you or helped you through a difficult time
- a favorite Bible verse or Bible character
